---

I recommend the book for the following reasons: (1 = very important; 2 = important; 3 = not important)

1      2      3      **REFERENCE:** I will refer to this book frequently for work-related research.

1      2      3      **STUDENT READINGS:** I will regularly refer my students to this book to complete their studies.

1      2      3      **FACULTY DEVELOPMENT:** I will regularly refer my colleagues to this book to complete their research and improve their research skills.

1      2      3      **BENEFIT FOR LIBRARY:** I feel that this book's aims, focus and content are useful and unique. The book would be an important resource in helping the library meet the needs of departments, faculty, and students.

My other reasons for recommending the book are as follows:

Name: \_\_\_\_\_ Position: \_\_\_\_\_

Department: \_\_\_\_\_
